

ONE STEP GEARBOXES

All the units are supplied with synthetic oil for life time lubrication, no maintenance is necessary.
The gearboxes are supplied with an oil quantity possible for mounting positions B3 / B5.

For vertical mounting V5 / V6 please specify in the order.

RIDUTTORI MONOSTADIO

Tutti i riduttori tipo sono forniti completi di olio sintetico per una lubrificazione permanente e non necessitano di alcuna manutenzione.

I riduttori sono forniti con una quantità d'olio adatta per tutte le posizioni di montaggio.

Nel caso di utilizzo in posizioni verticali quali V5 / V6 è necessario specificare in fase d'ordine tale scelta.
